For existing, STEEL RINGS

- |                   |  |
|-------------------|--|
| <b>R36S</b>       | <b>NO OPENING</b><br>36" Cover only, with handles                                      |
| <b>1 DOOR</b>     |  |
| <b>R361S</b>      | 36" 1 door snap-tight cover, no containment  |
| <b>R361S-GC</b>   | 36" 1 door gravity cover, no containment   |
| <b>R361S-WO</b>   | 36" 1 door snap-tight with waste oil funnel cont.                                      |
| <b>R36181S</b>    | 36" 1 door sna-tight cover, 1-5 gal. containment                                       |
| <b>2 DOOR</b>     |  |
| <b>R362S</b>      | 36" 2 door snap-tight cover, no containment  |
| <b>R36281S</b>    | 36" 2 door snap-tight cover, 1-5 gal. containment                                      |
| <b>R36271S</b>    | 36" 2 door snap-tight cover, 2-5 gal. containments                                     |
| <b>GAS SHOCKS</b> |  |
| <b>EZ36GS</b>     | Replacement gas shock for 36" E/Z lift cover   |
| <b>EZ42GS</b>     | Replacement gas shock for 42" E/Z lift cover   |
| <b>EZ48GS</b>     | Replacement gas shock for 48" E/Z lift cover<br>2 required for the 48" E/Z lift cover. |

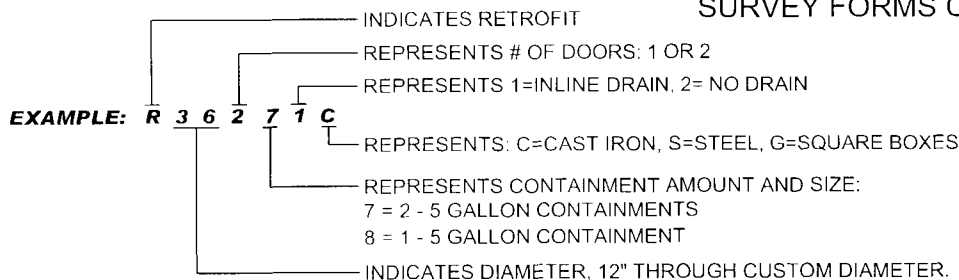

**NOTE:** E/Z lift retrofit cover DOES NOT include the the gas shock. They must be ordered separately.

**OPTIONS:** Add these part numbers for options on retrofits.

- GC Gravity access covers
- WO Waste oil funnel containment
- OOCL7 7" observation port
- OOCL12 12" observation port
- HINGE E/Z lift hinged manhole cover
- HD Heavy duty reinforcement ( call for heavier load ratings)

**NOTE:**

**SURVEY FORMS MUST BE FILLED OUT WHEN ORDERING A RETROFIT MANHOLE. THERE IS A FORM ON PAGE 18 OF THIS CATALOG. YOU CAN ALSO FIND OTHER SURVEY FORMS ON OUR WEBSITE.**

CALL FOR INFORMATION ON RETROFITTING ANY OTHER MANUFACTURER'S BOXES TO SNAP-TIGHT WITHOUT BREAKING OUT CONCRETE!

**NOTE:** STEEL RINGS DO NOT PROVIDE A LARGE ENOUGH LIP TO HOOK UNDER, THEREFORE ON STEEL RINGS WE WILL ISSUE AN INNER RING WHICH WILL ENABLE THE CAM-LOK TO SECURE.
