

WE SPECIALIZE IN SERVICE STATION EQUIPMENT

All products are manufactured in the USA at our Irwindale facility. We strive to produce top quality products made to last. All products are built in house and are tailored to each of our customers needs.

All Manways are offered with the following features:

- H20 traffic rated, heavy duty traffic rating can be added upon request.
- Watertight.
- Fuel & oil resistant buna n' rubber gasket.
- Stainless hardware.
- Galvanized 12" long skirt material, other sizes are available upon request.
- 3/8" diamond floorplate cover construction.
- Recessed lift handles on 24" units and larger.
- Security bolts are available for added protection against cover theft.

EZ Lift Round Manways

- Round units are in stock, and readily available in 30", 36", 42", & 48" diameter. They can be shipped the same day.
- Square units are built to order and can be manufactured to any size. It takes 5-7 business days to build depending on size and number of doors.
- An average of 25lbs of lifting force is all that is needed to lift our EZ Lift covers. Only one person is needed.
- Perfect for emergency calls, one-man crews, general maintenance requiring the cover to be opened frequently.

EZ Lift Square Manways

Round Watertight Manways

- Available in rolled steel rings with direct bolt down cover or cast ductile iron rings with cam-loks.
- We stock 8", 12", 16", 18", 24", & 30" units ready to ship same day.

Square Watertight Manways

- Available in direct bolt down configurations, or with cam-loks.
- We stock 12x12, 24x24, 30x30, & 36x36.
- Custom sizes are available in any size configuration.

Air Traffic Rated Manways

- Available in H45, H65, H90, H95, & H100 traffic rating.
- Available in any size.

Monitoring Well Manways

- Available in 12" & 18" round configurations.
- Constructed of cast ductile iron both ring and cover.
